18. DESCRIPTION: (Include only what was observed). Describe, in detail, all relevant and diagnostic field marks and/or behaviors that would distinguish this species from similar ones. Please include any photographs, recordings, sketches, and copies of original field notes that were made at the time of the sighting that would aid in identification. USE OTHER SIDE. (NOTE: If you are submitting photos or video recordings, the sections on descriptions, field marks etc., are optional. A poor photograph does not replace a good written documentation, but a good photograph does reduce the need of written documentation. The KBRC encourages you to write descriptive documentation even if you do have a photo or video recording of the bird.)
