A record for Taiga/Tundra Bean Goose (*Anser fabalis*/*Anser serrirostris*) was accepted in 2020. However, since it wasn't accepted at the species level it will not be added to the KOS Check-list at this time.

This checklist is maintained by the Kansas Ornithological Society (KOS). KOS is Kansas's only statewide organization devoted exclusively to the study, conservation, and enjoyment of birds. KOS is a diverse group ranging from casual backyard birdwatchers to professional ornithologists.
