Date of this report _____________________    KBRC No. (committee use only) ____________

1. Species _______________________________   / __________________________________
   (Common name)     (Scientific name)

2. Sex/Age _________________________  3. Number observed ____________

4. Date(s) of sighting ___________________  5. Duration of sighting ____________

6. Location (including county)

______________________________________________________________________________

7. Observer(s) (your name)

Phone:_________________  Address:______________________________ ___________
E-mail: ________________       ________________________________ _________

8. Other observers (not making this report) _________________________________________

______________________________________________________________________________

9. Description of habitat/setting:

______________________________________________________________________________

10. Distance from bird_________________  11. Optical Equipment ___________________

12. Time of day____________  13. Lighting conditions/sun angle ______________

______________________________________________________________________________

14. Previous experience with this or similar species:

______________________________________________________________________________

15. Reference material consulted and how this influenced your identification _______________

______________________________________________________________________________

16. How long after the sighting did you first write this description? _______________________

17. Vocalizations heard (if any):

______________________________________________________________________________

______________________________________________________________________________

18. DESCRIPTION: (Include only what was observed). Describe, in detail, all relevant and
diagnostic field marks and/or behaviors that would distinguish this species from similar ones. Please include any photographs, recordings, sketches, and copies of original field notes that were made at the time of the sighting that would aid in identification. USE OTHER SIDE. (NOTE: If you are submitting photos or video recordings, the sections on descriptions, field marks etc., are optional. A poor photograph does not replace a good written documentation, but a good photograph does reduce the need of written documentation. The KBRC encourages you to write descriptive documentation even if you do have a photo or video recording of the bird.)

Mail completed form to:
Kansas Bird Records Committee Secretary
